

PIX4TEAM 2

The Auto-Following Robot Cameraman for Team Sports

Soccer, Futsal, Basketball, Handball, Ice Hockey, Field Hockey, Lacrosse, Rugby, Volleyball, Football

Features

Better tracking technology thanks to:

- Improved optics providing more pixels for artificial intelligence
- New generation of Artificial Intelligence thanks to enhanced computing capacity

More versatile, the PIX4TEAM 2 robot now includes ALL SPORTS!

Video playback from any TV / computer / tablet / smartphone connected to the same WiFi network as your PIX4TEAM 2.

- PIX4TEAM 2 natively embeds all the artificial intelligences needed to film your sport.
- PIX4TEAM is the only auto-follow camera to stream on social media such as Facebook, YouTube, and Twitch.
